## BREAKING NEWS : HOTEL OPENING

### HÔTEL COP

This internationally well-known 5 stars Deluxe hotel brand HôtelCop is finally landing in Paris.

For those of you who always dreamt of visiting this beautiful city but didn't know where to stay, do not look any further, here is the answer: HôtelCop is your place.

It will be opening very shortly for you to just relax and enjoy your stay while

visiting Paris. The hotel is located in the vicinity of all the most popular sites of interests, so that you will always be close by and make the most of your stay.

This will be your special place, providing you with all sorts of different high standard services, an inner garden and a spa for you to relax, a gastronomic restaurant and do not forget that you can bring your pet along, it will also be taken care of.
